GREATER HOUSTON PSYCHIATRIC ASSOCIATES, PLLC

Private Practice Psychotherapist JOB POSTING

Job Title: Private Practice Psychotherapist

Education: Minimum of a Master's Degree in Human Services Field

Licensure: Must be a Licensed LPC/LCSW/LMFT in the State of Texas.

Our busy group psychiatric practice is seeking an experienced private practice therapist to join three other therapists and two psychiatrists in our West Houston (Wilcrest area) office. This is a contracted full time role in an insurance based practice. Our office will provide marketing, scheduling, documentation software, billing services and office space (unfurnished).

Incumbent will provide individual and family therapy to children and adolescents and/or adults. The therapist must be credentialed, or eligible to be credentialed, on major insurance panels.

Before applying, learn more about this practice: www.gHPA.net

Qualifications:

- Two years of clinical experience working with primary mental health diagnoses.
- Effective written and verbal communication in English.
- Knowledge and understanding of psychiatric diagnosis, terminology, and medical record charting basics.

Key Responsibilities:

- Conduct individual and/or family therapy sessions
- Complete psychosocial assessments, treatment plans and treatment plan updates, as well as discharge plans within established timeframe
- Demonstrates skill of writing individualized, behavioral & measurable treatment goals based upon information on psychosocial assessment and psychiatric evaluation.
